**NOTICE OF PENDING PARTIAL SETTLEMENT**

The Commonwealth of Massachusetts, on behalf of itself as well as the states of California, Colorado, Connecticut, Delaware, Florida, Georgia, Hawaii, Illinois, Indiana, Iowa, Louisiana, Maryland, Michigan, Minnesota, Montana, Nevada, New Hampshire, New Jersey, New Mexico, New York, North Carolina, Oklahoma, Rhode Island, Tennessee, Texas, Vermont, Virginia, Washington, and the District of Columbia (collectively “the Plaintiff States”), hereby notifies the Court that there is an agreement in principle between Cardinal Health and some Plaintiff States to resolve the allegations brought by Relators on behalf of the Plaintiff States.

Cardinal Health settlement agreements have been distributed to the eighteen (18) states who are believed to be participating in the settlement, some of which have already returned signed agreements. While not all of the Plaintiff States will be participating in a settlement with Cardinal Health, all State law claims against Cardinal Health will be dismissed once settlements with the

states are finalized.<sup>1</sup> The executed Cardinal Health agreements have been requested back from the States on or before March 10, 2022.

Respectfully submitted  
for the Commonwealth,
